FISCAL NOTE

SB 3024 - HB 3219

March 2, 2010

SUMMARY OF BILL: Authorizes employees of electricity providers to cut trees or limbs which affect or could affect power lines. The employee should make an effort to notify the property owner before cutting trees or limbs, but permission is not required.

ESTIMATED FISCAL IMPACT:

Local Expenditures – Net Impact – Not Significant/Permissive

Assumption:

- Local governments may experience a not significant increase in expenditures as a result of this authorization. Local governments may also experience a not significant decrease in expenditures if they no longer have to wait for property owner permission.
